Annie,

Thanks. Should I direct my calls to Amhearst now, and wait for her reply?

Do you have the contact information for Amhearst? Thanks.

Brian

Brian,

Just an update.

The Lab Numbers are [REDACTED] were sent to the Amherst Lab. I have faxed your email to Sharon in Amherst to expedite these samples per your request.

Let me know if you need anything else.

Subject: [REDACTED] (drug case)

Annie,

I am prosecuting a gun and drug case in Fall River District Court that is scheduled for trial on March 17. The defendant is held in custody on a dangerousness hearing and the case is three months old.

I sent a priority cert request by fax (to the 617-983-6210 number) for the drugs but I wanted to email you as well. Could you possibly help facilitate the testing? I know you probably get a lot of these requests. If I can't get the case tried by the 17th, technically, the court could release the defendant on bail. That's why I'm asking, so I can summons the appropriate chemist!

The Lab Numbers are [REDACTED]

Thanks!
